

# ACEM WEBINAR SERIES SITE SUPERVISION COURSE DISCIPLINE MODULE : MECHANICAL

FEBRUARY – APRIL 2023  
10.00 A.M. TO 12.30 P.M.

BACK BY  
POPULAR DEMAND

## TRAINERS

Ir. Au Chong Hun

Ir. Dr. N. Jayaseelan

Ir. Wong See Foong

ACEM intends to conduct a series of **Site Supervision Courses** designed to provide the **Graduate Engineers, Engineering Technologists and Inspector of Works (IOW)** with the necessary practical knowledge and information related to good engineering practice in the site supervision using proper procedures and reporting to meet the approved design, drawings and specification.

The overall programme consists of **General** and **Discipline Modules** corresponding to the disciplines registered with the Board of Engineers Malaysia (BEM).

There will be three (3) programmes for the **Discipline Modules** as follows:

(a) Civil & Structural

(b) Mechanical

(c) Electrical

Participants are encouraged to attend the **General Module** and **one of the Discipline Modules** as per their registration with BEM to have a complete and comprehensive knowledge regarding site supervision. All the above courses shall be conducted as a series of webinars to facilitate affordable online courses.

## REGISTRATION FEE (per webinar)

ACEM member firms / COWAM & MEInSA members /  
BEM Registered GE/ET/IOW  
Non-members  
FACE members

RM 20.00

RM 50.00  
USD 10.00

## REGISTRATION

Registration is on a first-come, first-served basis and will close once maximum participation is achieved. Fee must be settled in full before commencement of webinar. Fee shall not be refunded for any cancellation. However, substitution of participants can be arranged by informing the ACEM secretariat one (1) week before the webinar date.

### CERTIFICATE OF ATTENDANCE

Participants who sign up for individual webinars will receive an ACEM 'Certificate of Attendance', subject to full attendance.

### CERTIFICATE OF ACHIEVEMENT

Participants who sign up for all webinars in this module are entitled to receive an ACEM 'Certificate of Achievement', subject to full attendance.

### COURSE PROGRAMME

Time	Programme
9.30 a.m.	Link to webinar
10.00 a.m.	Introduction of Speaker
10.10 a.m.	Webinar Presentation
12.00 noon	Q&A Session
12.30 p.m.	End

## COURSE TRAINERS' PROFILE

**Ir. Au Chong Hun** is a Director of Primetech Engineers Sdn Bhd and holds an Honours Degree in Mechanical Engineering from University of Malaya. He has diverse experience in a wide range of projects such as high rise, offices, institutional building, university campus, residential developments, mall, museum, warehouse, factories and infrastructure planning.

He has also successfully led the implementation of sustainable strategies for a number of GBI Platinum and Gold buildings. Ir. Au has contributed to the development of GBI's NREB, INC and IEB rating tools. He is a member in the Technical Committee for Fire Properties of Building Material and a Working Group member for the Malaysian Standard on Fixed Aerosol Fire Extinguisher System, Flammable Refrigerant System – Code of Practice and the Fire Rated Lift Landing Doors.

Ir. Au is a GBI Facilitator, a Certified Measurement and Verification Professional and a Registered Electrical Energy Manager.

**Ir. Dr. N. Jayaseelan** is the Principal of a local consulting engineering practice. He has vast experience in the design, operations and maintenance of cold and hot water and sanitary plumbing systems, fire protection and air-conditioning systems for building services and industrial plants.

He was a recipient of the Association of Overseas Technical Scholarships (AOTS) award on two occasions, awarded by the Ministry of Economy, Trade and Industry of Japan. Ir. Dr. Jayaseelan was also a member of the working group to draw up the energy efficiency and energy conservation guidelines for pumps and compressors for Malaysian industries organized by the Institution of Engineers, Malaysia, Pusat Tenaga Malaysia, and the Ministry of Energy, Water and Communications. He is the current Co-Chair of the Malaysian Green Building Index Accreditation Panel (GBIAP).

He graduated from University of Malaya, Leeds Polytechnic, UK and Universiti Putra Malaysia and holds a Degree in Mechanical Engineering and Masters in Engineering and an Industrial Doctorate in Engineering.

Ir. Dr. N. Jayaseelan is a Professional Engineer registered with the Board of Engineers Malaysia (BEM), member of The Association of Consulting Engineers Malaysia (ACEM) and a Fellow of The Institution of Engineers, Malaysia (IEM). He is also a Certified Energy Manager, registered with the Energy Commission of Malaysia, a Chartered Engineer of Australia (CPEng), an APEC Engineer and an International Professional Engineer (Int'l PE).

**Ir. Wong See Foong** graduated with a degree in Mechanical Engineering from University of Malaya in 1974 and has been involved in fire safety engineering over the past 40 years. He is a professional engineer with practicing license registered with the Board of Engineers Malaysia and is presently a partner in MEP Engineering Sdn Bhd, an engineering consultancy firm.

Ir. Wong is a Past President of The Association of Consulting Engineers Malaysia (ACEM) and also a Past President of the Institution of Fire Engineers (U.K.) Malaysia Branch. He is a Fellow of the Institution of Engineers, Malaysia and also a Fellow of the Institution of Fire Engineers (U.K.).

Ir. Wong's contributions in fire safety include assisting the Jabatan Bomba dan Penyelamat Malaysia in drafting the amendments to the Uniform Building By-laws, 1984 relating to active fire safety. His other contributions include chairing the Technical Committee under the National Standards Committee (M) of Jabatan Standards Malaysia for the drafting of Malaysian Standards for fire fighting systems and equipment.

**Thank you for your participation.**

**The Association of Consulting Engineers Malaysia  
Suite 20-9, Level 20, Menara 1MK, No. 1, Jalan Kiara, Mont' Kiara, 50480 Kuala Lumpur**
