SPEAKERS

Ir. Chong Chew Fan

Ir. Chong Chew Fan holds a Bachelor of Engineering (Hons) in Electrical and Electronics Engineering from National University of Malaysia (UKM). He is a Professional Engineer with Practising Certificate (PEPC) registered with Board of Engineers, Malaysia (BEM), ASEAN Chartered Professional Engineer (ACPE) and Registered Energy Manager Type 2 with Energy Commission Malaysia and Registered Electrical Energy Manager with Energy Commission of Sabah.

Ir. Chong has more than 20 years of working experience covering design, contract administration, project management and consultancy in electrical and instrumentation services. He has vast experience in infrastructure and building works including green building and sustainable designs, housing development, mixed development, office and commercial buildings, water and wastewater, highways and roads.

Ir. Chong is also an active member in various technical committees and working group in International Electrotechnical Commission (IEC), Department of Standards Malaysia (DSM), Energy Commission Malaysia (EC) and Green Building Index (GBI) on standards and guidelines development.

Ms. Zarini Najibuddin

Ms. Zarini joined AON in 2023 and is currently part of the Financial Specialties Practice Group (FSPG). She brings over 25 years of experience in the insurance industry, with deep expertise in financial risks and liability solutions.

Her portfolio includes structuring and servicing Professional Indemnity Insurance for lawyers, architects, engineers, accountants, and other professionals, as well as Director's Officers' Liability, Bankers Blanket Bond, Cyber Risk, and Product Liability Insurance.

She has also contributed to the development of specialized schemes and R&D initiatives to address evolving client's needs. She has worked extensively with both local and multinational corporations, providing advisory on risk transfer solutions, designing liability programs, and supporting clients with claims management.

Mr. Koh Kok Wai

Mr. Koh joined T.Y.Lin International Sdn Bhd as an Engineer in September 2007 and was promoted to Associate in July 2023. He has more than 15 years of working experience. Besides, Mr. Koh is also the Chairperson of the T Y Lin BIM Committee, which is to support the office BIM development and implementation.

Mr. Koh has involved substantially in the planning, design and coordination of structure and infrastructure works for Tropicana Sungai Buloh (TSB) Commercial Centre; Covillea & KM1 Condominium at Bukit Jalil; W Hotel and the Residences at Jalan Ampang, Kuala Lumpur, TRX Hotel and Office Development (Plot 1); and Taipei Wanda-Zhonghe-Shulin Line (Phase 2) MRT Station. Currently, he is involved in projects such as The Mate in Damansara Jaya and Grand Damansara in Kayu Ara.

Mr. Koh is proficient in ETABS, SAP2000, SAFE, STAAD.Pro, Adapt PT for the analysis and design for high rise buildings, MRT stations and steel roof structures. He is also well versed with CAD and BIM software such as Autodesk AutoCAD, Revit and Navisworks, which have been utilized in the engineering designs, as part of the BIM integration process.
