

Webinar on Introduction to Blockchain Technology and Its Potential Use Cases

Date : 13 November 2025

Time : 10.00 a.m. to 12.00 noon (Zoom)

Topics

What is Blockchain?

An explanation for someone unfamiliar with the technology.

Use Cases of Blockchain Technology

Examples of how blockchain benefits industry players.

Speaker

Dr. Suresh Naidu Sadasivan

Dr Suresh Naidu Sadasivan is an experienced Certified Blockchain Expert by the US-based Blockchain Council and a Certified Blockchain Solution Architect by Blockchain Training Alliance, Canada. He graduated with a Degree in Law (LL.B Hons) from the University of London, a Master's Degree [MBA (IT Sector)] from Staffordshire University and Doctor of Business Administration (DBA) from the City University of Paris.

As an executive committee member of ACCESS MALAYSIA for two years, he serves as the Director of SPNDS Edu Future Resources and Advisor of Innovation and Communication for landorc.io, a leading blockchain startup based in Dubai. His contributions extend to the Blockchain Council (US), where he is a member and the Director of Academics for the Blockchain Council (Malaysian Chapter). He is also the Senior Blockchain Consultant for the Asia Pacific University of Technology and Innovation (APU). In October 2022, he assumed the role of Director of Communication and Innovation at Masverse Sdn. Bhd., a company dedicated to accelerating Web3 adoption in Malaysia through the creation of a collaborative ecosystem.
