ACEM WEBINAR SERIES SITE SUPERVISION COURSE

GENERAL MODULE

BACK BY POPULAR DEMAND

August – September 2026

10.00 a.m. to 12.30 p.m.

Speaker
Ir. K. Sundraraj

Speaker
Ir. Anuar Mohd Aris

ACEM is conducting a series of **Site Supervision Courses** designed to provide the **Graduate Engineers, Engineering Technologists and Inspector of Works (IOW)** with the necessary practical knowledge and information related to good engineering practice in the site supervision using proper procedures and reporting to meet the approved design, drawings and specification.

The overall programme consists of **General** and **Discipline Modules** corresponding to the disciplines registered with the Board of Engineers Malaysia (BEM).

The three (3) programmes for the **Discipline Modules** are as follows:

Civil & Structural

Mechanical

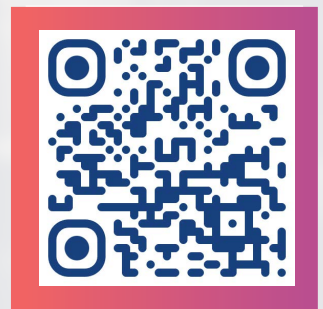

Electrical

Participants are encouraged to attend the **General Module** and **one of the Discipline Modules** as per their registration with BEM to have a complete and comprehensive knowledge regarding site supervision. All the above courses shall be conducted as a series of webinars consisting of **lecture** and **Q&A**, to facilitate affordable on-line courses.

REGISTRATION FEE (per webinar)

ACEM member firms / COWAM & MEInSA members / BEM Registered Graduate Engineers, Engineering Technologists & Inspector of Works	RM 35.00
Others / PEPC / PE	RM 65.00

Please click link <https://klinksini.my/HHAct> or scan QR code for **ONLINE REGISTRATION** for the webinars.

SCAN TO REGISTER

Fee must be settled in full before commencement of webinar. Fee shall not be refunded for any cancellation. However, substitution of participants can be arranged by informing the ACEM secretariat one (1) week before the webinar date.

The general module is divided into **four (4) webinars** to be conducted in August to September 2026 as shown below:

Webinar Dates

Webinar G1 – 8 August 2026

Webinar G2 – 22 August 2026

Webinar G3 – 29 August 2026

Webinar G4 – 5 September 2026

Webinar Time

10.00 a.m. to 12.30 p.m.

Language

English will be used for the course and course material.

Continuing Professional Development (CPD)

Each webinar shall be eligible for 2 CPD Hours for Registered Persons with BEM.

Webinar G1

- ❖ Accidents & Fatal Injuries
- ❖ By-laws and regulations
- ❖ Contract Arrangement

Webinar G2
